*These terms have been previously known as Retail Lending Terms and Conditions under code 11RBD PL 72-03-01. Some of the Bank documents may contain references to these terms and conditions under the former name and code.		
*Depending on the creditworthiness of the borrower, term of loan and LTV ratio, a higher or lower interest rate can be applied.		
*The annual percentage rate (APR) may differ from the above specified values if there is any or a few of the following factors: - When the property insurance is obtained by the Bank at the customer’s request - When the borrower selects differentiated or mixed form of loan repayment - If there are deviations from the creditworthiness criteria approved under the internal regulations of the Bank - If additional property is pledged as collateral - If there are other deviations		
* Attention! The adjustable nominal interest rate may be revised no more than twice a year. Furthermore, depending on the change of the adjustable nominal interest rate, the threshold above or below which the nominal rate cannot change is ±5%.		
* The list of developers is determined by the Bank. If the developer is not included in the Bank’s list, the terms of the loans for purchase of residential real estate from secondary market will apply.
